THE NATIONAL MEDICAL CODING INSTITUTE

3355 Lenox Road, Suite 242, Atlanta, Georgia 30326
OFFICE: 404-841-6669 FAX: 404-346-0502

The National Medical Coding Institute is an organization dedicated to advancing the medical community's knowledge of medical coding, medical billing, and insurance reimbursement. We are offering the Professional Medical Coding Curriculum created by the American Academy of Professional Coders (AAPC). The AAPC, founded in 1988, is a national organization with over 60,000 members. This modular course includes the latest information in the medical industry to support compliance with claims submission. There are 16 Chapter lessons that encompass Medical Terminology, Anatomy and Physiology, Diagnosis Coding (ICD-9-CM), and Procedure Coding (CPT/HCPCS). The course prepares you for a certification (Certified Professional Coder) that is recognized nationally in the medical community by physicians, hospitals, and clinics. The National Medical Coding Institute has been offering this certification program to Atlanta and the surrounding communities since 1998. Enhance your career opportunities! There are no prerequisites to begin this course.

CLASS LOCATION:

National Medical Coding Institute, 3355 Lenox Road, Suite 242, Atlanta, Georgia 30326

CLASS DATES/TIMES:

Saturdays: **January 9, 2010** through **April 10, 2010** from **9:00 A.M. - 3:30 P.M.**

Attendance is strongly advised due to the intensity of the curriculum. See SATURDAY course outline for specific dates of each lesson. Coding sessions will be held at periodic intervals to assure understanding of the material.
